7. The pleading has not yet been filed and served on the parties listed in item 6 for the following reasons *(describe the efforts that have been made to serve the pleading and why service has not been completed):*

**• Stanislaus County: Documents and a court-approved fee waiver were submitted via email. Service is delayed because the Sheriff's office refused to print the 20 pages without a $25 fee, stating the waiver does not cover printing costs. They have placed a one-week hold on the request pending the delivery of physical copies.**

**• Sacramento County: The Summons and Complaint were e-filed on March 7, 2026, and processed on March 9, 2026. Service is actively "In Progress" with the Sheriff's Department but has not yet been executed.**

☐ Continued on Attachment 7.

8. An extension of time to serve and file the pleading should be granted for the following reasons:

**Good cause exists to grant an extension of time because diligent and timely efforts have been made to effectuate service through the respective county Sheriff's civil divisions, but completion has been delayed by administrative processing times and procedural hurdles outside my immediate control. Regarding the parties to be served in Stanislaus County, I promptly submitted the required service instructions alongside a court-approved fee waiver (Form FW-003). However, an unforeseen dispute arose when the Stanislaus County Sheriff's Civil Division declined to print the 20 pages of emailed documents without a $25.00 fee, arguing that the fee waiver covers the cost of service but not the cost of printing copies under Government Code §26727. Consequently, the Sheriff's office has placed a one-week hold on the service request pending the physical delivery of the documents by mail or in person. An extension is necessary to accommodate the time required to physically mail these copies to the Sheriff's office and for the Sheriff to subsequently execute service. Regarding the parties to be served in Sacramento County, I submitted the service request through the Sacramento County Sheriff Department's e-filing system on March 7, 2026. The submission was processed and accepted on March 9, 2026. According to the Sheriff's portal, the status of the service of the Summons and Complaint is actively listed as "In Progress" and has not yet been executed. Additional time is required to allow the Sacramento County Sheriff's Department to complete the physical service of process in the normal course of their duties.**

☐ Continued on Attachment 8.

9. If an extension of time is granted, filing and service on the parties listed in item 6 will be completed by *(date):*
May 4, 2026

10. Notice of this application under rules 3.1200–3.1207 ☐ has been provided as required *(describe all parties or counsel to whom notice was given; the date, time, and manner of giving notice; what the parties or counsel were told and their responses; and whether opposition is expected)* or ☒ is not required *(state reasons):*

**Notice is not required because the defendants have not yet been successfully served with the Summons and Complaint and have not made an appearance in this action. The purpose of this application is to seek additional time to complete the initial service of process upon them.**

☐ Continued on Attachment 10.

Good morning,

We have received your document via email. However, the fee for us to print them out is $1.25 per side per page. As there are 20 pages the fee for us to print them out is $25.00. We do accept credit/debit card payments by email. The card company charges an additional $1.75 to process credit/debit card payments. I can provide you our Credit Card Authorization form. The Fee Waiver covers the COURT to make copies and certifying copies. It does not cover the Sheriff's office to make copies. It does cover our Fee for us to serve documents. You are always welcome to bring them in or mail them into office. If you would like to mail them into our office I can provide our address. The address depends on how you are going to mail them to our office. You would address it to "Stanislaus County Sheriff – Civil Division

# Request to Process Service Documents – Case No. 26CV168914

**Brendan Ngwa Nforbi** <bnn.cdl@gmail.com> Tue, Mar 10 at 8:00 AM
To: Civil Fax <civilfax@stansheriff.com>

Good morning,

Thank you very much for your email and ongoing assistance with my case.

As you'll see in the attached "Order on Court Fee Waiver (Superior Court)" (form FW-003), the court has issued a binding order granting my fee waiver request. It explicitly states under section (1) that the court "grants your request and waives your court fees and costs listed below" and that I "do not have to pay the court fees for the following," which expressly includes "Making copies and certifying copies."

Additionally, the receipt (26-0905) confirms this request was already processed by Victoria C. on March 9, 2026. Given the clear authority of this court order—which fully governs all court-related fees and costs, including paper, printing, and copies—I respectfully request that no such charges be applied to me.

Please see attached (1) filing receipt from your office, (2) communication and acknowledgment between myself and Victoria C. of the Sheriff's Office of Stanislaus County for processing my request for service of summons and complaint, and (3) the court order from Alameda County Superior Court, Hayward.

The court's binding fee waiver order (FW-003) explicitly waives sheriff fees for service of process and compels the Stanislaus County Sheriff's Office to process these civil service documents without charge, per California Rules of Court 3.55 et seq. and Government Code §26721.

I'm happy to provide any further details or resend documents to ensure full compliance with the court's directive. Thank you again for your time and understanding.

Regards,

**Civil Fax** <civilfax@stansheriff.com> Tue, Mar 10 at 8:32 AM
To: Brendan Ngwa Nforbi <bnn.cdl@gmail.com>, Civil Fax <civilfax@stansheriff.com>

Good morning,

Yes, your fee waiver waives the COURTS fee for making copies and other items. Not the Sheriff's Fee for Printing out your documents. The only thing listed that is associated with the Sheriff is our Fee is for our Service only. Not printing your documents. Per Gov code #26727 states: *"The fee for a copy of any writ, process, paper, order, or notice actually made by the sheriff when required or demanded is one dollar and twenty-five cents ($1.25) per page, except that when correct copies are furnished to the sheriff for use no charge shall be made for those copies."* So, as you see the fee for us to print out your documents is $1.25 per page.

Victoria did process the paperwork, however, for us to print them it is $25.00 (20 x $1.25). You can always furnish them to our office by Mailing them or bring them into our office. We will hold onto your instructions and fee waiver for a Week waiting for them to me mailed or brought into our office.
